BECOME A PRODUCER

Join Austin Public's community of Producers, a vibrant group of creative mediamakers. Whether you are a beginner or a professional, Austin Public is here to provide the tools, training, and facilities you need to develop skills, tell your story, and connect to your community. To get started, register for orientation.

Learn more and register at austinfilm.org.

CLASSES

Austin Public offers affordable pre- production, production, and post-production classes for the public. Upon successful completion of any certification level course, an AP certification is awarded.

CONTENT DISTRIBUTION

Have your content cablecast and streamed on Austin's public access channels. Watch live on local cablechannels 10, 11, and 16, UVerse channel 99, Roku, Apple TV, or austinfilm.org.

GEAR & SPACE

Austin Public offers free equipment checkout and space reservations to certified Producers.

FILMMAKER SERVICES

AFS provides support to our film community through the AFS Grant, Work-in-Progress screenings, Fiscal Sponsorship, workshops, and intensives.
