RESOURCE CERTIFICATION CLASS

This 3-hour onsite intermediate class provides more in-depth training on the functions of the Sony FX3 digital cinema camera and its menu system as well as hands-on practice time shooting with the camera and overview of the recording file structure and management.

This course certifies Producers in the following equipment to then reserve at no additional cost:

- Sony FX3 Full Frame 4K Cinema Camera body
- Sony 18-105 Zoom E-Mount Kit Lens and prime lenses
- Sachtler Fluid Head Tripod
- 7″ monitors

If you prefer to take our basic camera class first then please look for the “Intro to Sony Cameras: Functions and Fundamentals” class.
